

NORFOLK

## Features: Spinning Head

### 40 Metre Clothesline

- Dark Green Powder Coat Finish
- 4 Retractable Arms
- Ready to Install
- 40 Metres of Drying Space

 Turning Circle: 2.5m

Includes PVC ground socket

### Assembly

1. Establish a suitable location for the clothesline. Ensure there is enough room for it to rotate freely when fully open (2.5 metres diameter minimum).
2. Install the ground socket. The socket included is for installation in a concrete mix placed in the ground. See diagram (below).

3. Ensure when installing the ground socket that it is firmly located in a vertical position.
4. Allow 48 hours for concrete to set before use.

### Operation

1. To open, slide centre collar upwards and past the clip.
2. To obtain best results from your clothesline, always load washing evenly.

### Storage & Safety

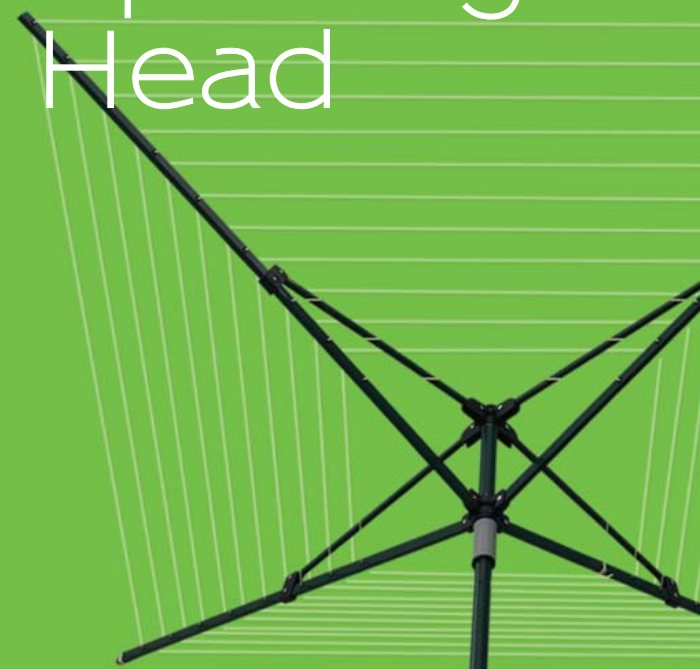

If removing from the ground socket for storage, please ensure the clothesline is securely tied and kept out of the reach of children. This is not a children's toy. Children should not play unsupervised near this clothesline.

### Devon Cottage Guarantee

This product has been made in China to our demanding, high quality standards to give you complete satisfaction.
